SICOT-EOF: Celebrating a Century of Ilizarov

Saturday 24 April 2021

USA (East) 09:00-10:30 (EDT) | UK 14:00-15:30 (GMT+1)

Belgium 15:00-16:30 (CEST) | India 18:30-20:00 (IST)

New Zealand (Sunday 25 April) 01:00-02:30 (NZT)

In celebration of the 100th anniversary of the birth of the Father of the Ilizarov apparatus (Gavriil Abramovich Ilizarov), SICOT PIONEER, in partnership with the Eurasian Orthopedic Forum (EOF), launch their first live event dedicated to this revolution in modern orthopaedics. In addition to free paper presentations, a team of outstanding faculty from around the globe will lead the discussion on its legacy and the latest updates in today's practice, in another promising academic exchange.

Moderators
